This **policy** does not provide cover for **you** or any people listed under Section 5 of **your** current **Certificate of Motor Insurance** to drive other vehicles.

## Changes to your insurance

**You** must tell **us** as soon as practicably possible about any changes to the information that **you** have provided which is detailed in **your Statement of Fact, Schedule** and **Certificate of Motor Insurance**.

The following are some examples of the changes **you** must tell **us** about (not an exhaustive list):

- a change of **your car** (including additional cars) or a change of its registration mark
- all changes **you** or anyone else make to **your car** if these mean the vehicle is different from the manufacturer's standard specification (whether the changes are mechanical or cosmetic)

## Your 3 month drive like a girl discount

At drive like a girl **we** give **you** the opportunity to prove that **you** 'drive like a girl', and enable **you** to pay a fair **premium** based on how **you** drive.

**We** fit a clever, little box (the **in-tele-box**) to **your car** to record such things as (but not limited to) **your** speed, how smoothly **you** accelerate and brake, and the times of day at which **you** drive. **You** can see every journey **you** make in Your Portal. Each journey is assessed, so **you** are able to see how well **you** are **driving** on a continuous basis.

Each journey **you** make is assessed to give **you** an overall score, which is used to calculate **your** 3 month drive like a girl discount. **You** will be able to see **your** score on Your Portal once **we** have collected enough data from the **in-tele-box**. This is usually after one month. The maximum discount available under **your policy** is shown when **you** get a quote. The discount depends on **your** score after 3 months. If **your** score is 0 **you** will not receive a discount. If it is 1 or 2 **you** will receive some discount. If **your** score is 3 **you** will receive the maximum discount.

Please note: drive like a girl discounts are for new policies only (not renewed policies) and are based on specific **driving** characteristics. If **you** do not meet the required criteria **you** may not receive a discount. **Your policy** will, however, continue as normal and **you** will not be required to pay any additional charges, unless **you** make any changes to **your policy**.

Once **you** have had **your policy** for 3 months and **your** final score has been calculated, **you** will be able to see the exact discount **you** have been awarded.

**You** do not have to do anything. If **you** have paid annually **you** will receive a refund directly to the card **you** bought the **policy** with. If this card has expired or has been cancelled, **we** will contact **you** to request new card details.

If **you** pay by monthly instalments, **your** payments will be reduced starting from **your** next monthly payment to equal the total discount. **You** will not receive **your** discount in an equivalent cash lump sum.

Please note: **You** only qualify for a 3 month discount in **your** first year of insuring through **us**, there is no 3 month discount when **you** renew **your policy**.

If **you** have any questions regarding **your** score or discount, please contact **us** via Live Chat on Your Portal, by email on [service@drivelikeagirl.com](mailto:service@drivelikeagirl.com) or by phone on 0330 022 0200.

## Your drive like a girl score and your renewal premium

After the initial 3 months **you** will continue to receive a rating for every journey as well as an overall **driving** score. Remember, **you** only qualify for a 3 month discount in **your** first year of insuring with **us**, there is no 3 month discount when **you** renew **your policy**.

**Your driving** score will be a significant factor when **we** calculate **your** renewal **premium**. If **you** have consistently proven that **you** 'drive like a girl', **you** could save even more when **you** renew **your policy**.

**We** recommend that **you** visit Your Portal at least once a month to help **you** 'drive like a girl' and receive the maximum score throughout the year.

## How to 'drive like a girl'

The telematics box (**in-tele-box**) fitted to **your** car records how **you** drive. It will measure (but not limited to) how smoothly **you** drive by looking at **your** acceleration, braking and speed. It also measures when **you** drive and how long **you** go without taking a break.

To 'drive like a girl' and get **your** maximum discount **you** need to:

- drive smoothly and generally avoid rapid acceleration and harsh braking, unless it is an emergency
- drive at a speed appropriate for the road **you** are on
- avoid regular **driving** at night, especially between the times of 11pm and 4am
- take breaks on long journeys.

## What to Avoid

### Harsh acceleration and braking

We have all seen the stereotypical 'boy racer'. They might speed right up to **your** bumper and almost ram into **your car** when **you** stop. They might pull alongside **you** at the traffic lights, revving their engine and roaring off the second the lights change. They might overtake **you** on a blind bend or refuse to wait for a safe gap to turn right. Their normal **driving** style is jerky, including rapid acceleration and heavy braking. If **you** consistently drive like this with drive like a girl **you** won't get a discount and **your** renewal **premium** will go up.

Drive like a girl drivers consider hazards around them and leave plenty of space between them and the car in front. They drive with patience and a sensible consideration of the road. Their **driving** style will be smooth.

Please note that emergency stops will NOT affect **your** score – **we** are looking for **your** normal, everyday **driving** style.

### Excessive Speed

Regularly **driving** too fast for the road **you** are on will reduce **your** discount and affect **your** renewal **premium**.

### Night driving

Statistically, more serious accidents happen at night. The occasional journey at night won't affect **your** drive like a girl score but frequent night time **driving** between 11pm and 4am will reduce **your** discount.

### Driving without a break on long journeys

Tiredness is one of the biggest causes of accidents, so make sure **you** take regular breaks. Don't drive for longer than 2.5 hours at a time and take a break for at least 20 minutes.

## Why 'drive like a girl'?

Young women are much less likely than young men to have serious car accidents, but the EU's Gender Directive of 2012 means that insurance companies cannot charge less money based on gender. However, **our** clever **in-tele-box** means **we** can look at the reasons why young girls are safer drivers and charge all drivers less if they drive in this way.

Drive like a girl is a sister brand of insurethebox, and is a trading style of Insure The Box Limited. We have gathered over a billion miles of data, enabling **us** to understand the **driving** differences between young women and young men.

As **we** know how young women drive, **we** use these criteria to establish if **you** 'drive like a girl'. If **you** do – girl or boy - **you** can get the maximum drive like a girl discount.

## In-tele-box installation

When **you** take out **your policy**, **we** will contact **you** to arrange for an **in-tele-box** to be fitted to **your car**. Provided **your policy** is not cancelled there is no additional cost to **you** for:

- the **in-tele-box**
- fitting the **in-tele-box**
- retrieving data from the **in-tele-box**.

**Our** aim is for the **in-tele-box** to be fitted within 14 days of **you** arranging a **policy** with **us**, or changing **your car**. The **in-tele-box** can be fitted at **your** home or place of work, providing it is safe to fit it at the proposed place. **We** reserve the right to choose an alternative site near **your** home or place of work if necessary. **We** will agree a mutually convenient time for the fitting.

**We** reserve the right to cancel **your policy**, providing **we** follow the procedure defined in Section 13.6, if **you** do not co-operate in having the **in-tele-box** fitted to **your car** within 14 days of **you** arranging **your policy** with **us**, or changing **your car**.

In the event of the **in-tele-box** developing a fault, **we** will notify **you** and arrange with **you** a mutually convenient time for a replacement **in-tele-box** to be fitted. **You** must give **us** access to **your car** within 7 days of being notified of the fault or, where there are exceptional circumstances that prevent **you** from doing so, within a reasonable time.

If **we** ask, **you** must also allow **us**, or **our** approved supplier to retrieve the **in-tele-box** from **your car** in the event that **you** cancel or do not renew **your policy**.

It is **your** responsibility to ensure that **you** have the agreement of any co-owner, hire purchase company, or other person that has a legal interest in **your car**, to having an **in-tele-box** fitted in **your car** before the **in-tele-box** is installed. The installation will not affect any car warranty.

## Automatic renewal

To make renewal easier for **you**, **your policy** will be renewed automatically using the payment details **you** have previously given, providing **your** card/instalment details allow this and **you** have given **us** permission to do so.

**We** will only automatically renew **your policy** after issuing **you** with a renewal notice approximately 21 days before the end of **your policy**. If **you** do not want **us** to automatically renew **your** cover, **you** must contact **us** more than 3 days before **your** renewal date and advise **us** accordingly. If you are not the card or account holder you must ensure that the card/account holder has agreed to make the renewal payment and you must tell them of any changes to the amount. **Your** renewal payment will be taken from **your** account 3 days before the renewal date. Please check **your** renewal notice for further details when it is available to **you**.

## Accident Alert

An additional benefit of the **in-tele-box** is that if **you** are involved in an accident, an alert message may be sent to **us** by the **in-tele-box** and, provided **your car** isn't moving, **we** will try to contact **you** by telephone. **We** will aim to take the actions necessary to get **you** on **your way** or, if it is not safe to drive **your car**, **we** will arrange for **your car** to be taken for repair. If **we** cannot contact **you**, **we** will attempt to make contact using the alternative number supplied by **you**. Please ensure that the telephone numbers **you** provide are current and valid. If **you** need to make a claim please call **us** on **0330 022 0123**.

It is important that **you** do not assume that **we** will contact **you**, or any emergency services, after an incident has occurred. While **we** will endeavour to make contact with **you**, and, if **we** think it necessary, the emergency services, **you** should take all appropriate steps to protect **your safety** and report any incident to the appropriate emergency services.

It is also important not to assume that **we** are aware of any incident. **You** must still contact **us** to report any circumstances that could lead to a claim being made on **your policy** (please see Section 13.3 for more details).

## How the insurer will deal with your claim – Sections 1 and 2

### Payment of premium

If **you** make a claim and **you** have not paid all **your premium**, any unpaid **premium** may be deducted from any claim settlement made to **you**.

### Repairs

If **your car** is lost, stolen or damaged, the **insurer** will either:

- pay the cost of repairs to **your car**, if **your car** is economically repairable, or
- make a cash payment of the **market value** of **your car** at the time of the damage less any required **excess** if it is not economical to repair **your car**.

Any repairs to **your car** undertaken by one of **our** approved UK repairers are subject to the following guarantees:

- the bodywork, paintwork and labour will be guaranteed for 4 years, and;
- the replacement parts used will be covered for the duration of the manufacturer's guarantee.

These guarantees will remain in place for as long as **your car** remains owned by **you**.

The **insurer** may decide to repair **your car** with parts which have not been made by **your car's** manufacturer but which are of a similar standard, including recycled parts.

If **you** make a claim for loss or damage to **your car**, the **insurer** will only pay the cost of replacing parts needed for **your car** to meet the manufacturer's standard specification (including extras fitted by the manufacturer) unless any non-standard parts have been agreed by **us**.

If any lost or damaged parts are no longer available, the **insurer** will only pay the cost shown in the manufacturer's latest price guide, together with fitting costs.

Repairs may be undertaken by a repairer of **your** choice, but this may lead to a delay in arranging the repair of **your car** and **we** will not be able to provide **you** with a temporary replacement car or guarantee the repairs. If **you** choose to do this, please contact **us** first so that **we** can agree costs.

The most the **insurer** will pay will be the **market value** of **your car** at the time of the loss or damage, less any **excess**.

**Your excess** will be waived if the loss or damage is another party's fault, and it is more likely than not that the **insurer** will recover any amount it pays for your claim, in full, from the other party.

If **you** cannot drive **your car** as a result of damage covered under this **policy**, the **insurer** will pay the costs of:

- protecting **your car** and removing it to **our** nearest approved repairers; and
- delivering **your car** back to **your** address in the British Isles after the repairs have been completed.

If **your car** belongs to someone else, or is the subject of a hire purchase or leasing agreement, any payments may be made to the legal owner. The **insurer's** liability under this **policy** will then be complete.

## Recovery of your car following an accident

If **your car** is not safe to drive after an accident and **we** have not already made contact with **you**, please telephone **us** on **0330 022 0123** and **we** will arrange for someone to assist **you**. If **your car** cannot be made roadworthy within a reasonable time, **we** will arrange to take it to **our** approved repairer at no cost to **you**. After doing so, **we** will help **you** and **your** passengers to complete **your** journey and will pay all reasonable expenses up to a maximum of £50. **We** will require documented receipts in order to support **your** claim.

**We** can arrange to take **your car** to a repairer of **your** choice at **your** expense, but this may lead to a delay in arranging the repair of **your car** and **we** will not be able to provide **you** with a temporary replacement car or guarantee the repairs.

**Our** employees and contractors will use all reasonable care and skill when providing the accident recovery service. However, they can refuse to provide services (or cancel them) if, in their reasonable opinion, **your** demands are excessive, unreasonable or impractical.

## New car replacement

If, within one year of registration as new in **your** name, **your car** is:

- damaged such that repairs will cost more than 60% of the manufacturer's list price plus taxes when the damage happened, or
- stolen and not recovered

and such loss or damage is covered under this **policy** then the **insurer** will pay for **your car** to be replaced with a new car of the same make, model and specification if one is available in the United Kingdom. The lost or damaged car will then become the **insurer's** property.

If a suitable replacement car is not available, the claim will be settled by one of the other options referred to in the 'How the **insurer** will deal with **your** claim' section of this document.

## In-car entertainment, phone and satellite navigation equipment

The **insurer** will pay for loss or damage to in-car entertainment, phone and satellite navigation equipment:

- up to the **market value** of the equipment if it is permanently fitted to **your car** and part of the manufacturer's standard specification, and
- up to £250 for any other equipment.

## Child car seats

If **you** have a child car seat (or seats) in **your car** and **your car** is involved in an accident that results in impact damage to it, the **insurer** will pay to replace each child car seat with a new one of the same quality up to a maximum value of £300 per accident.

## Excesses that apply

If **your Schedule** shows that **you** have to pay an **excess** or **excesses**, **you** must pay the first part of any claim up to the total amount of all the **excesses** that apply.

## Temporary replacement car

If the loss or damage to **your car** is covered by this **policy**, and **you** use the approved UK repairer of **our** choice, **you** will receive a temporary replacement **car** (providing one is available) while repairs to **your car** are being carried out, or in the event of a theft, until **your car** is recovered. If **your car** is found to be uneconomic to repair, or is unrecovered following a theft **you** will be provided with temporary replacement car until 7 days after a settlement offer has been made to **you**.

Temporary replacement cars are usually small cars with a manual gearbox (typically a one litre hatchback or similar). A temporary replacement car is not intended to be an exact replacement for **your car**.

All temporary replacement cars will have comprehensive cover under **your** existing **policy**, including any **policy excesses**, for the period of the loan, regardless of what level of cover **you** have for **your car**. (Please note that a temporary replacement car cannot be provided until **your** claim has been accepted and cover has been confirmed).

While **you** have the temporary replacement car **you** will be liable for any fines for any parking or **driving** offences, congestion, tolls or road pricing charges and any additional costs for non-payment of these charges. **You** will need to produce an appropriate credit or debit card to the approved repairer to cover these costs.

**You** must return the temporary replacement car when the owner or **we** ask **you** to do so for any valid reason or if this **policy** expires and **you** do not renew it.

**Please note:** temporary replacement cars are only available when **your car** has been recovered by one of **our** approved UK repairers or when **your car** has been stolen and **you** have obtained a crime reference number from the police. Temporary replacement cars are not available outside of the United Kingdom.

If **you** have made no claims in the **period of policy cover**, **you** will be eligible for a no claim discount, or for an increase in **your** no claim discount, when **you** renew **your** policy.

The level of **your** no claim discount is based upon the number of consecutive years that **you** have had cover and the number of claims that have been made during that time.

If **you** make one or more claims during the **period of policy cover**, at **your** next renewal **your** no claim discount will be reduced by the number of years specified in the following scale:

This section pays **your** legal costs to claim back losses which are not otherwise covered by this **policy** from someone who has caused an accident that results in damage to **your car** or injury.

This section will not pay compensation. **We**, or a legal expert appointed by **us**, will seek to:

If any loss, damage or liability covered by this **policy** is also covered by any other insurance, the **insurer** will only pay its share. This condition does not apply to Section 7 – Personal accident benefits.

## 5. Compulsory insurance laws

If under the law of any country the **insurer** must make a payment which would not have made but for these legal obligations, **you** must repay that amount to the **insurer**.

## 6. Cancellation

**We** can cancel **your policy**:

- from the start date if **you** do not pay **your premium**.
- by writing to **you** at **your** last known address 7 days in advance of the cancellation date if there are serious grounds to do so such as:
  - failure to provide requested documents (proof of **your** no claim discount etc.)
  - failure to co-operate with **us**, where required to do so within the terms of this **policy** (for example not having an **in-tele-box** installed within 14 days)
  - where **your car** is being driven or used other than in accordance with **your Certificate of Motor Insurance**
  - following a fraud or deliberate or reckless misrepresentation or if **you** have withheld information
  - following the unauthorised removal of, or tampering with, the **in-tele-box**
  - use of threatening or abusive behaviour or language, or intimidation or bullying of **our** staff and / or suppliers.

The **policy** will end immediately when the 7 days' notice period expires. If **you** have not made a claim, or one has not been made against **you** will be entitled to receive a refund of **premium** less:

- a charge on a proportionate basis for the **period of policy cover** that **you** have already received; and
- **our** cancellation charge as shown in **our** Terms and Conditions

If **you** have made a claim, or one has been made against you, during the current **period of policy cover**, **you** must pay the full annual **premium** and **you** will not be entitled to any refund

- after a claim where the **insurer** has decided to make a cash payment for up to the **market value of your car** at the time of the damage rather than repair or replace **your car**. If **you** have not paid all **your premium**, **your** full annual **premium** remains payable unless this has already been deducted from **your** claim settlement.

**You** can cancel **your policy**:

- at any time. Cancellation can take effect immediately or from a later date, although it cannot be backdated to an earlier date. If **you** have not made a claim, or no claims has been made against you, **you** will be entitled to receive a refund of **premium** less:
  - a charge on a proportionate basis for the **period of policy cover** that **you** have already received; and
  - **our** cancellation charge as shown in **our** Terms and Conditions.

If **you** have made a claim, or one has been made against you, during the current **period of policy cover**, **you** must pay the full annual **premium** and **you** will not be entitled to any refund. If the amount **you** owe upon cancellation exceeds the amount of any refund calculated on cancellation, **we** will be entitled to charge **you** for that amount.

If the **premium** received by the date of cancellation does not cover the charges described above, **we** reserve the right to recover any outstanding amount owed to **us** using the debit or credit card details used to pay for the **policy**. Where **we** are unable to recover all money owed to **us**, **we** reserve the right to use third party debt collection agencies to progress the recovery, including any administration charges **we** incur from this process.

In the event of cancellation the **in-tele-box** will remain in **your car** but it is permanently disabled by **us** remotely. If **you** wish **you** may request for it to be removed.

## 7. Premium payment by instalments and your credit agreement

If **you** choose to pay **your premium** by monthly instalments via Direct Debit, or a similar arrangement under a credit agreement, **you** must pay any deposit **we** ask **you** to pay and make sure **your** instalment payments are kept up to date. The Direct Debit facility and the credit agreement are provided by **our** third party finance provider, Premium Credit Limited. They will send **you** a welcome pack detailing their full terms and conditions and begin collecting **your** instalments. A credit agreement will be included for **you** to sign and return.

- if **you** do not pay **your** deposit **we** will cancel this **policy** from the start date
- if **you** pay **your** deposit but **we** receive notification from Premium Credit Limited that **you** have not made an instalment payment on or before the date it was due, and arrangements are not made to pay the outstanding **premium** within 14 days of the original due date, **we** will cancel **your policy** by writing to **you** at **your** last known address 7 days in advance of the cancellation date. The **policy** will end immediately the 7 days' notice runs out. Upon cancellation **we** will charge **you** as follows:
  - a) If **you** have not made a claim or no claim has been made against **you** during the period up to the effective date of cancellation of this **policy**:
    - a charge on a proportionate basis for **the period of policy cover** that **you** have already received; and
    - **our** cancellation charge as shown in **our** Terms and Conditions.
  - b) If **you** have made a claim, or one has been made against **you**, during the period up to the effective date of cancellation of this policy then the full amount of **premium** may become due and payable and all unpaid **premium** may be deducted from the claims settlement otherwise payable to **you**, and **we** will seek to recover any outstanding **premium** directly from **you**.

If the amount **you** owe upon cancellation of the **policy** exceeds the amount of any refund calculated on cancellation, **we** will be entitled to charge **you** for that amount.

**You** agree that **we** will pay to Premium Credit Limited any return of **premium** that **we** would otherwise have to return to **you** under this **policy** (after all deductions which **we** are entitled to make under this **policy** and **our** Terms and Conditions) if Premium Credit Limited notify **us** in writing that **you** are in default under the credit agreement or that the credit agreement has been cancelled. If **we** make any payment to Premium Credit Limited under this clause:

- it will only be for an amount necessary to clear or reduce the amount of monies that **you** owe under **your** consumer credit agreement with Premium Credit Limited in respect of the **premium** payable under this **policy**
- **we** will no longer have to return to **you** any portion of the **premium** that **we** have paid to Premium Credit Limited under this clause
- nothing in this clause confers any rights on Premium Credit Limited under this **policy**.

If **you** choose to cancel **your** credit agreement:

- **you** may cancel the credit agreement within 14 days of Premium Credit Limited receiving the signed credit agreement back. If **you** would like to cancel the credit agreement, please write to Premium Credit Limited at the address shown on **your** documents
- cancelling **your** Direct Debit or credit agreement does not mean that **you** have cancelled **your policy**
- if **you** cancel the credit agreement but **you** choose to continue cover under **your policy**, **you** will need to pay the full **premium** to **us**; otherwise **we** will cancel **your policy** in accordance with the cancellation terms of this **policy** under Section 13.6
- if **you** cancel **your** credit agreement and **you** also wish to cancel **your policy**, **you** must notify **us** and comply with the cancellation terms of Section 13.6 under the heading "**You can cancel your policy**".

## How we use your personal information and who we share it with

This notice contains important information about the use of **your** personal information. Please make sure that **you** read this notice carefully. In this notice **we** and **us** and **our** means Insure The Box Limited, **insurers**, and any holding companies, subsidiaries or linked companies.

‘Personal information’ means any information given to **us** about **you**, by **you** or anyone else in connection with the particular service or product that **we** are providing to **you**. By taking out this drive like a girl **policy**, **you** confirm that **we** may use **your** personal information in the ways outlined in this notice. As the terms of this notice will also apply to anyone else insured under **your policy**, **you** should also show this notice to anyone else whose personal information **you** give to **us** and ensure that **you** have their consent to provide their personal data, including sensitive personal data, where necessary, in connection with **your** insurance **policy**.

**Your** privacy is very important to **us**. **We** promise to respect and protect **your** personal information and try to make sure that **your** details are accurate and kept up to date. **You** should let **us** know whenever **your** personal details change.

## How we use your driving information

The telematics **in-tele-box** fitted to **your car** collects a wide range of **driving** information and **we** understand that customers may be concerned about how this information will be used. **We** are committed to keeping **your driving** information safe and confidential:

- **we** will use **your driving** information to encourage **you** to drive safely.
- **we** will use **your driving** information to help **us** reduce fraud, by checking if another driver is making a false claim against **you**, or if **you** are making a false claim
- **we** will only share **your driving** information with **our** trusted business partners
- **we** will not release **your driving** information to the police or to any civil authorities unless **we** have **your** permission or **we** are required to do so by law, or **we** suspect fraud or attempted fraud
- **we** will not refuse **your** claim simply because **you** were **driving** above the legal speed limit
- **we** will stop recording **your** information if **you** sell **your car** or if **your policy** is cancelled
- **we** will use **your driving** information to help **us** calculate **your** renewal **premium**
- **we** will not provide **you** or **your** representatives with **your driving** information for use in civil claims or criminal investigations or proceedings.

The police and certain statutory and/or authorised bodies may request information collected via the telematics **in-tele-box** in connection with road accident investigations and the prevention or detection of crime. Such information may currently only be obtained by these organisations via an application to the Courts and **we** will not provide any information to these organisations except when subject to a Court Order or with **your** consent.

By purchasing this **policy**, the **policyholder** has confirmed that all named drivers have been made aware that **driving** data relating to all drivers will be available to view on the Customer Portal.

## How we use your personal information

**We** will use personal information which has been given to **us** to manage **your** insurance **policy** and other drive like a girl products, including handling underwriting and claims and issuing **policy** renewal documents to **you**. These activities may involve **us** releasing personal information to other insurers, regulatory authorities or agents providing services to **us** or on **our** behalf. Some of these agents may be based outside the EEA but **we** will make provision for **your** personal information to be protected whilst being transferred to and processed in these countries.

**We** may use **your** personal information and the information about **your** use of **our** products and services to carry out research and analysis about **our** products and services, as well as to service **your** needs in connection with **your policy**. **We** may use e-mail, telephone, post or SMS to do this.

To assess **your** insurance application and the terms on which cover may be offered, and to process claims and maintain **your policy** during the **period of policy cover** **we** may obtain information about **you**, all

drivers named on **your policy** and any person who may be paying **your premiums**, from credit reference agencies, fraud prevention agencies and databases. **We** may also check **your** and any other drivers' credit status, identity, driving licence and claims history from other sources, including the DVLA and the Claims and Underwriting Exchange (CUE). The agencies will record **our** enquiries. Where a credit check is made this will leave a 'footprint' on **your** record with that agency, and may leave a record that could be seen by other lenders.

However, should **you** fail the credit reference checks it is unlikely **you** will be offered the option to pay by instalments on **your** motor insurance **policy** and the **policy** will be cancelled in accordance with Section 13.6 and Section 13.7 of **your** Private Car Policy Document. In this instance, **you** may be allowed to purchase another **policy** but **you** will be required to pay the full **premium** in one payment.

## Marketing purposes

If **you** would like to change **your** marketing preference please call the Customer Services Line shown on **your policy** documents. **You** may contact **us** at any time to give notice to stop data being used for marketing purposes.

**We** may release **your** personal information to others:

- if **we** need to do this to manage **your policy** with **us** (as set out above)
- in connection with any research or analysis that **we** are carrying out (as set out above)
- where **we** need to do so in order to prevent fraud (as mentioned below)
- if **we** are required or permitted to do this by law (for example, if **we** receive a legitimate request from the police or another authority)
- in other circumstances where **you** have given **your** permission.

If **we** change the way that **we** use **your** personal information, **we** will write to **you** to let **you** know. If **you** do not agree to that change in use, **you** must let **us** know as soon as possible.

## Monitoring and recording calls

**We** may monitor or record telephone calls to improve **our** service and to detect and prevent fraud.

## Motor Insurance Database

Information relating to **your** insurance **policy** will be added to the Motor Insurance Database (MID) managed by the Motor Insurers' Bureau (MIB). The MID and the data stored on it may be used by certain statutory and/or authorised bodies including the police, the DVLA, the DVANI, the Insurance Fraud Bureau and other bodies permitted by law for purposes not limited to but including:

- electronic licensing
- Continuous Insurance Enforcement
- law enforcement (prevention, detection, apprehension and or prosecution of offenders)
- the provision of government services and or other services aimed at reducing the level and incidence of uninsured **driving**.

If **you** are involved in a road traffic accident (either in the UK, the EEA or certain other territories), the **insurers** and/or the MIB may search the MID to obtain relevant information. Persons (including his or her appointed representatives) pursuing a claim in respect of a road traffic accident (including citizens of other countries) may also obtain relevant information which is held on the MID.

It is vital that the MID holds **your** correct registration number. If it is incorrectly shown on the MID **you** are at risk of having **your** vehicle seized by the police. **You** can find out more about the MID at [www.mib.org.uk](http://www.mib.org.uk) and **you** can check that **your** correct registration number details are shown on the MID at [www.askmid.com](http://www.askmid.com)

## Claims history

Insurers pass information to the Claims and Underwriting Exchange Register, run by Insurance Database Services Ltd (IDS Ltd) and the Motor Insurance Anti-Fraud and Theft Register, run by the Association of British Insurers (ABI). The aim of these is to help **us** to verify information provided and to prevent fraudulent claims. When **we** deal with a quotation for insurance, **we** may search these registers.

The conditions of **your policy** specify that **you** must tell **us** about any incident (for example, accident or theft) which may or may not give rise to a claim. When **you** inform **us** about such an incident, **we** will pass this information to the registers. **We** may search these registers when **you** apply for insurance, in the event of any claim or incident, or at renewal of **your policy** to verify either **your** claims history or that of any other person or property likely to be involved in **your policy** or claim.

## Dealing with others on your behalf

To help **you** to manage **your** insurance **policy**, **we** will deal with **you** and/or any other person whom **you** have nominated and **we** have accepted to be acting for **you**, if they call **us** on **your** behalf in connection with **your policy** and answer **our** security questions.

## Sensitive information

Some of the personal information that **we** ask **you** to provide may be sensitive personal data, as defined by the Data Protection Act 1998. Sensitive personal data may include information relating to **your** health, race, religion and any criminal convictions that **you** have. **We** will only use sensitive personal data about **you** for the specific purposes of dealing with **your policy** and to provide the services described in **your policy** documents.

## Further information

**You** are entitled to receive a copy of the information **we** hold about **you**. ## Fraud and fraud prevention agencies

**We** may share information which **we** hold and which has been supplied to **us** in connection with any application for insurance that **you** have made or any insurance **policy** which **you** have with **us** (including the renewal of any **policy** which **you** have with **us**) with the Claims and Underwriting Exchange register, run by the Insurance Database Service Limited (IDS Ltd) and other similar databases or fraud prevention agencies established for the same purpose. The aim is to help **us** check information that is given to **us** and to prevent or detect crime, including fraud. When **we** process **your** request for insurance cover, process any claims and maintain **your policy** during the **period of policy cover**, **we** may search these registers.

If fraud is identified from false or inaccurate information provided by **you**, details will be passed to fraud prevention agencies. Such fraud prevention and law enforcement agencies have the right to access and use this information.

Drive like a girl and other organisations and agencies may also access and use this information to prevent fraud and money laundering, including, for example:
