

Important Information

Thank you for choosing drive like a girl. Please read this document, together with your Private Car Policy Document, Statement of Fact, Schedule and Certificate of Motor Insurance, as they all form the basis of a contract between you (the policyholder) and us (Aioi Nissay Dowa Insurance UK Limited, trading as drive like a girl). This document contains important information, including the fees we apply.

1. What will you have to pay us for our services?

If you wish to make certain changes to your policy, the following charges will apply each time:

Via our Service Centre	Self-service using Your Portal	
£30		if your policy is cancelled and a black box has not been fitted to your car, or had not been fitted to a car you previously insured with us
£80		if your policy is cancelled and a black box has already been fitted to your car, or had been fitted to a car you previously insured with us*
Nil	Nil	if you change your car and a black box has not been fitted to your car, or had not been fitted to a car you previously insured with us
£90	£85	if you change your car and a black box has already been fitted to your car, or had been fitted to a car you previously insured with us
£25	£5	if you change your overnight parking address
£25	£5	if you add/remove a driver to/from your policy

These charges are in addition to any premium charge levied by your insurer.

* When you take out a policy through us we pay the cost of the black box, its fitting and the retrieval of data from it. In the event that your policy is cancelled, we pay a fee to the company that provides the box to us which covers the cost of cancellation as well as the deactivation of your black box. The £80 charged to you is made up of the £30 administration fee for cancellation, plus £50 to cover these additional costs that we incur.

If you choose to pay by instalments, we will introduce you to Premium Credit Limited (PCL) who will also apply some fees. All of PCL's fees will be communicated to you before the credit agreement is entered into.

3. Documents and information you may need to send us

If you have earned No Claim Discount, and wish to apply it to this policy, you must send us proof of this No Claim Discount within 14 days of purchasing your car insurance policy. The No Claim Discount must:

- have been earned in your name as the policyholder

Failure to provide adequate proof of the No Claim Discount you have declared may affect any claim you make and could result in your insurance being invalid.

If we request them, you must send us any documents or provide us with information we may reasonably require to help us validate you or any person named on your Certificate of Motor Insurance and/or the details of your car.

Examples of documents or information we may require include driving licences, vehicle registration document, proof of MOT, proof of No Claim Discount or proof of address.

4. Our commitment to road safety

Drive like a girl is a long-time advocate of road safety in the UK, with our insurance policies designed to encourage and incentivise safe driving for our customers. We're dedicated to helping road users become safer – including less experienced young and new drivers.

We will contact you regarding general driver safety issues and also your own driving performance. If you speed persistently or excessively then we reserve the right to cancel your policy. Please refer to the Private Car Policy Document for details.

We wish to protect the environment, and therefore we will communicate everything in an electronic format unless you have specifically requested otherwise. Where electronic communication is selected then all our correspondence with you will be by electronic means, including your future renewal invitations. If you have requested paper communications, then we will issue all your policy documentation (including your Certificate of Motor Insurance, Statement of Fact, Policy Schedule, Insurance Product Information Document, Private Car Policy Document and Renewal Invitation) to you in this format. We may still email or SMS you on other matters related to your policy, your driving performance and general driver safety issues so it is important that we have your correct email address and mobile phone number at all times.
